Subject: Notification of Sustainability and Environmental, Social and Governance (ESG) Business Practices

Dear Valued Business Partners and Suppliers,

Siam Global House Public Company Limited ("the Company") would like to express its sincere appreciation for your continued cooperation and the strong business relationship we have shared over the years.

The Company places great importance on conducting business responsibly with due regard to environmental stewardship, social responsibility, and all stakeholders, while pursuing sustainable growth alongside good corporate governance principles (Environmental, Social and Governance: ESG). ESG serves as a key foundation in creating long-term value, trust, and resilience for our business and supply chain.

In order to ensure that the Company's operations and those of our business partners are aligned throughout the supply chain and consistent with internationally recognized sustainability practices, the Company has established its sustainability policies and ESG guidelines, which are publicly available on the Company's website at: <https://sustainability.globalhouse.co.th/th/sustainability-overview/sustainability-policy>

In this regard, the Company kindly requests your acknowledgment of such policies and your consideration in appropriately integrating ESG principles into your business operations when conducting business with the Company, in alignment with the Company's sustainability direction and expectations.

Please be advised that this notification is not intended to amend or modify any existing contractual terms and conditions, including but not limited to pricing, quantities, or scope of work under any agreements currently in effect. This communication is issued solely to promote mutual understanding, cooperation, and the continuous enhancement of sustainable business practices between the Company and its business partners over the long term.

The Company firmly believes that collaboration on ESG matters between the Company and its suppliers will contribute to strengthening the supply chain, mitigating business risks, and creating shared and sustainable value. Should you have any questions or wish to further discuss this matter, the Company remains pleased to provide support and engage in constructive dialogue.

We appreciate your kind cooperation and look forward to our continued partnership.

Yours sincerely,

(Mr. Witoon Suriyawanakul)

Chief Executive Officer

Siam Global House Public Company Limited
